Instructions to Reviewers:

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.

2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

Time for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

35 USC 181 requires that an application for a patent be filed in the United States within 12 months of the date of invention. If an application is not filed within this time period, the application will be considered abandoned. This application was filed on 4/3/04 and the subject matter of this application is not a patentable invention. Therefore, the application is not eligible for patent protection. The application is being returned to the applicant for their information.
